Ref.D.No.D1-7387-44. dated 9-10-1944.

Sir,

LAND ACQUISITION (SOUTH KANARA) - Coondapur Taluk - Jog falls Hydro Electric Scheme - Special Staff - continuance - Report submitted.

Ref: G.O.Ms.No.1769, Revenue Department, dated 1-9-1944.

*****

In the order cited above, sanction was accorded for the retention for a further period of two months from 1-9-1944 of the following special staff employed in the South Kanara District for work connected with the acquisition of lands required for the Jog Falls Hydro-electric Scheme.

(1) One Special Dy. Collector.
(2) One Lower Division Clerk.
(3) One Typist and
(4) Two peons.

2. The Special Dy. Collector has since submitted a report Ref. C.No.1-44, dated 4-10-1944, suggesting that sanction may be obtained for the retention of the special staff connected with the acquisition of lands for the Jog Falls Hydro-electric Scheme for a further period of one month on the ground that the notices under section 9(3) issued by registered post have not been served in time, that some of the acknowledgments of the parties to whom notices were issued by Registered post have not been received, that those already received show that the notices were served late leaving less than 15 clear days' time between the dates of service and the date posted for enquiry and that it may not be possible to announce the award as originally intended.

3. The executive instructions in para I - ch.-VIII of Part III of the Land Acquisition Manual, as amended by G.O.No.2382, Revenue, dated 3-12-1930, require that a clear interval of 15 days' time should be allowed in the case of general notices published under Section 9(1) of the Act, the same interval should be allowed in the case of 9(3) notices also. Besides, in cases of notices where acknowledgments have not been received as also in the cases, where acknowledgments have been received but which indicate late service, it has to be presumed that notices

P.T.O.

have not been served as required by rules. So, fresh notices have to be issued in all those cases, allowing sufficient time for service in addition to 15 days time prescribed by the G.O. referred to above. After the announcement of the award, notice under Section 12(2) will have to be prepared and payments made. Making references to Court under Section 31(2) and preparation of A and A.A. -- statement for transmission to the Accountant General may also take some time. It will not be possible therefore, to complete the work by 31-10-1944. I, therefore, request that sanction may be accorded for the continuance of the Special Dy. Collector and his staff for a further period of one month, i.e., upto 30-11-1944. If, however, the Special Deputy Collector is able to close the work earlier, the staff will, of course, be disbanded earlier.
